Instructions:

Teachers have so much to do in the classroom and there never seems to be enough hours in the day to complete it all. Therefore, having students help out with the daily classroom duties can be a big help and a lot of fun for any eager little helper. Assigning students classroom duties teaches them responsibility, gives them pride in a job well done, and helps to build the classroom community.

Step 1: Write a teachers name, classroom helpers or anything creative on the Color My World Classroom Banner (Eureka item# 849018) and staple it to the bulletin board.

Step 2: Next, write down all the classroom duties on each of the paint brushes in the Color My World Mini Bulletin Board Set (Eureka item# 847001).

Step 3: Take the small paint splashes from the Color My World Mini Bulletin Board Set (Eureka item# 847001) and use these pieces to write students names. The small paint splashes should correlate with the job that particular student will be responsible for in the classroom.

Step 4: Finally, create a design by stapling all the paint brushes and paint splashes onto the bulletin board.
