

Color My World Multiplication Masters

Supplies Needed:

1. Color My World Mini Bulletin Board Set ([Eureka Item #847001](#))
2. Color My World Classroom Banner ([Eureka Item #849018](#))
3. Color My World Assorted Paper Cut-Outs ([Eureka Item #841255](#))
4. Color My World Extra Wide Die Cut Deco Trim® ([Eureka Item #845117](#))
5. Stapler
6. Black Marker

(See next page for instructions.)

Make learning multiplication facts more fun by combining them with Eureka's Color My World theme. You students will become multiplication masters when they can fully comprehend each of the multiplication facts demonstrated on this bulletin board project.

Instructions:

1. Using your black marker, add the words Multiplication and Masters to your Color My World Classroom Banner.
2. On each of the colored paint brushes, label each multiplication fact group and list out each of the corresponding multiplication facts.
3. Write mathematical symbols on the remaining color accents. These will be used to help fill in open space on your bulletin board display.
4. Staple Color My World Deco Trim® to the top and bottom edges of your bulletin board. Optional – you may also add Deco Trim® to the side edges of your bulletin board.
5. Staple the banner, paint brushes, color accents and Color My World Paper Cut Outs to the bulletin board in an arrangement you desire.
