Instructions:

Finding time for character education can be a challenge in some classrooms, but it's not just about teaching students, it's also about helping them become good people. This Dr. Seuss™ Oh, The Places Character Building Bulletin Board Set is designed to promote excellence and character in the lives of children. Whether it's a writing activity or verbal presentation, children can address places they have visited along with the good deeds they may have completed during their visit. For example, if a child visits a grandparent in a nursing home, they can write about their experience and what they learned during that visit.

Step 1: First, pick any color paper you wish for the background of the bulletin board

Step 2: Next, display the Extra Wide High Gloss Blue Specialty Deco Trim (Eureka item# 845056) and the Dr. Seuss™ Oh, The Places Balloons Deco Trim (Eureka item# 844912) together to create a larger, dimensional trim around the bulletin board.

Step 3: Then place the Oh, The Places You'll Go Horizontal Banner (Eureka item# 849581) at the top of the bulletin board along with pieces from the Oh, The Places You'll Go Bulletin Board Set (Eureka item# 847154)

Step 4: Next, use different pieces of colored construction paper or fabric to create a patterned walk-way design.

Step 5: Use different pieces of the Oh, The Places You'll Go Bulletin Board Set (Eureka item# 847154) to decorate the bulletin board.

Step 6: Create an inspiring message for the bulletin board set with Dr. Seuss™ Blue Deco Letters (Eureka item# 845034)

Step 7: (Optional) Include a map of the United State of America to go with the Dr. Seuss™ theme of visiting different places

Step 8: Next, use the paper cut outs to attach photos or have the children draw a picture and place the paper cut out along the colored walkway.

Step 9: Finally, give the Oh, The Places You'll Go Recognition Awards (Eureka item# 843197) to each student after completion of a good deed.
