## **Instructions:**

Which campus fits you best? What would you like to major in? The college admissions process can be extremely confusing and stressful. Students have such a tough decision when it comes time to picking a college to attend. What better ways to show off the college acceptances student receive, than with Dr. Seuss' "Oh, The Places You'll Go" coordinated theme set.

**Step 1:** First, pick any color paper you wish for the background of the bulletin board

**Step 2:** Next, display the Extra Wide High Gloss Blue Specialty Deco Trim (Eureka item# 845056) and the Dr. Seuss™ Oh, The Places Balloons Deco Trim (Eureka item# 844912) together to create a larger, dimensional trim around the bulletin board.

**Step 3:** Then place the Oh, The Places You'll Go Vertical Banner (Eureka item# 849903) on the bulletin board along with pieces from the Oh, The Places You'll Go Bulletin Board Set (Eureka item# 847154)

**Step 4:** Next, create a hot air balloon basket out of thin brown cardboard or cardboard box and pin it to the bulletin board.

**Step 5:** Cut big balloons out of any colored construction paper or fabric of your choosing and tape or hand write the college/university logos or names that students have been accepted to, to each of the balloons. Staple them to the bulletin board set.

**Step 6:** Then take the colored ribbon and create strings to hang from each of the paper balloons and tape the other end inside the hot air balloon basket.

**Step 7:** Use the Oh, The Places You'll Go Recognition Awards (Eureka item# 843197) to write students names and what college they have chosen to attend. Roll each of them up like a diploma and tie with colored ribbon.

**Step 8:** Place all the diplomas into the hot air balloon basket.

**Step 9:** (Optional) Blow up some colored latex balloons and pin them to the bulletin board to complete the set.
